

EU research funding at MPI Stuttgart

Richard Segar
EU Liaison Officer MPI MF

Aim:

Increasing participation in EU 7th Framework Programme

- FP7 runs 2007-2013
- Budget ca €54 billion
- Max Planck Society strongly encourages MPI involvement

My role: Help at all stages

- Identification of FP7 funding opportunities
 - Targeted dissemination
- Help with all types of proposals, e.g.
 - Individual actions
 - International collaborative projects
- Help with project management

Proposals: Taking the pain out of applying (almost)

- Clear advice on requirements
- Help with writing:
 - Content
 - Presentation
 - Structure
- Access to expert advice and opinion

In addition

- Other funding schemes:
 - General assistance where possible with ESF, DFG, Humboldt etc
- Information/advice on research career options

Special note to FKF

- From 15th July 2008 I will be working solely for MF.
- Any questions on EU funding from members of FKF should be addressed to Patrice and Anne at EUROBAW in Tübingen:
